Who are PSI?

Profile

PSI is a member organisation dedicated to leading scientific discourse amongst and promoting best practice for biostatisticians. Founded in 1977 for pharmaceutical statisticians, members now span statisticians and statistical programmers working in all areas of drug development and healthcare, including research, pre-clinical, production, quality control, health technology assessment, marketing, market research, academia and consultancy. As a non-profit organisation run by and for members, PSI delivers unrivalled support to its members throughout their careers, from education through to retirement. It continues to grow and evolve in order to lead and promote statistical thinking within all areas of the industry and healthcare. PSI delivers timely and relevant opportunities, support and resources including training, networking events, online meetings, specialist groups and committees, plus the renowned Pharmaceutical Statistics journal and the annual conference. Its aim is to inspire statisticians in healthcare to connect, learn and advance so that all members are best placed to continue to serve the needs of this ever-changing and stimulating industry.

The PSI Conference

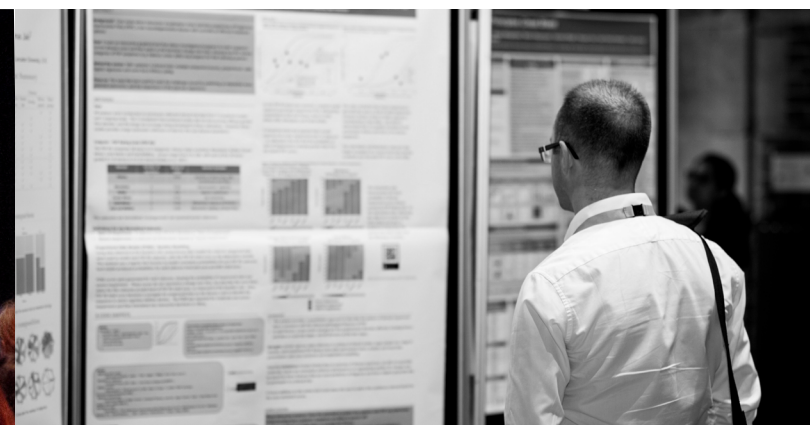

Regarded as the principal annual event for statisticians in the pharmaceutical industry, the 2019 PSI Conference will be taking place at the QEII in London. This will be the 42nd consecutive annual PSI event. The conference is held over a three day period and made up of plenary sessions, parallel sessions, a poster display and the annual general meeting. Breaks (coffee and lunch) taken throughout the day are located within the exhibition area permitting maximum exhibitor exposure to all delegates.

Sponsorship

Within this brochure, you will find many opportunities to sponsor the 2019 PSI Conference. These are not exhaustive and we would welcome additional creative suggestions. Please note that sponsorship options include your company name in the conference section of the PSI website from the point of sponsorship together with a link to your company's website.

Exhibition

The exhibition will be held within the conference area. Space will be allocated on a first-come first-served basis. Set-up will be possible during Sunday 2 June. All stands must be dismantled directly on Wednesday 5 June and the area totally cleared by 15:00. The price includes two exhibitor passes for the three conference days which gain access to the exhibition area only, and includes two tickets to the Gala Dinner. If you would like to upgrade the pass to a full delegate place it is only an additional £370 per person. Dinner, bed and breakfast costs are additional. Additional exhibitor passes can be purchased for £540 at the Early Bird fee, or £600 at the full fee rate. Exhibiting companies must provide their own public liability insurance.

Group Registrations

Data driven decision making
in medical research

London, 2 - 5 June 2019

For the 2019 PSI conference the following group booking discounts will be available.

2019 PSI Conference - Group Registration Discount

Total Number of Full Conference Registrations	Full & Early Bird Registrations – Discount %
≥10	15
≥20	20
≥30	25

Please note that the group booking discount will only apply to full conference registrations, and does not include day delegate registrations.

Please note that we are unable to provide a discount code to be used in the registration site, therefore a rebate for the total discount of the group booking will be provided after the conference.

Sponsorship Opportunities

Data driven decision making
in medical research

London, 2 - 5 June 2019

The exhibition will take place in the Cambridge and Windsor rooms located on the fifth floor of the QEII, alongside the Poster board area. Tea, coffee and lunch will be served within the exhibition area.

All sponsors and exhibitors will be acknowledged on the PSI website, and all sponsor logos and profiles will be included within the conference app.
