For each of these published papers there will be a 20 min presentation by the author followed by 20-25 min discussion.

In preparation and prior to the day of the webinar, please follow the link. Please allow enough time before joining to download the correct software.

Papers available to view prior to the meeting on <http://www.psiweb.org/events/journal-club> and presentation slides will be available there to download up to a week before the JC. Audio recordings will be available to download from the PSI website. The meetings are open to PSI and non-PSI members. We encourage you to read these papers in advance so you get the most from this event. For further info/feedback, or to submit a question to the authors in advance of the meeting please contact journalclub@psiweb.org
