Data driven decision making
in medical research

2 – 5 June 2019

PSI 2019 PSI Conference
QEII Centre, London

REGISTRATION IS NOW OPEN!

Join us at the **2019 PSI Conference** being held at the **QEII Centre in London**, from **2 - 5 June 2019**. The conference theme will be '**Data Driven Decision Making in Medical Research**', with session topics including early phase innovative trial design, industry best practice - 10 years on, model based dose finding designs, and much more!

Registration for the conference is now open, so click below to register now to receive the Early Bird fees. [More information on registration fees.](#)

Register and Save!

Want to register as a group from your company?

Group registrations are also available through the online registration site, and **group booking discounts of up to 25% off** will be available. [Click here](#) for further information on how to qualify for the 2019 PSI Conference group booking discounts.

Attending the PSI conference gives me the opportunity to learn, first hand, about state of the art statistical thinking in drug development that I can apply directly to my job. In addition, the variety of social events that happen throughout the conference provide a great chance to meet and network with colleagues in the industry.

Maria Costa
GlaxoSmithKline, UK

SPOTLIGHT ON: SHOWCASE YOUR WORK

Only two weeks left to submit your abstract!

Showcase your work by submitting an for either oral or poster presentation at the 2019 PSI Conference. A Message from the Conference Chair

We hope you will join us in building on the huge success of this year's event in Amsterdam, to make the 2019 Conference in London an even greater event!

Kate Taylor
Conference Chair
