Who are PSI?

Profile

PSI is a member organisation dedicated to leading scientific discourse amongst and promoting best practice for biostatisticians. Founded in 1977 for pharmaceutical statisticians, members now span statisticians and statistical programmers working in all areas of drug development and healthcare, including research, pre-clinical, production, quality control, health technology assessment, marketing, market research, academia and consultancy. As a non-profit organisation run by and for members, PSI delivers unrivalled support to its members throughout their careers, from education through to retirement. It continues to grow and evolve in order to lead and promote statistical thinking within all areas of the industry and healthcare. PSI delivers timely and relevant opportunities, support and resources including training, networking events, online meetings, specialist groups and committees, plus the renowned Pharmaceutical Statistics journal and the annual conference. Its aim is to inspire statisticians in healthcare to connect, learn and advance so that all members are best placed to continue to serve the needs of this ever-changing and stimulating industry.

The PSI Conference

Regarded as the principal annual event for statisticians in the pharmaceutical industry, the 2020 PSI Conference will be taking place at the Crowne Plaza Fira Center in Barcelona. This will be the 43rd consecutive annual PSI event. The conference is held over a three day period and made up of plenary sessions, parallel sessions, a poster display and the annual general meeting. Breaks (coffee and lunch) taken throughout the day are located within the exhibition area permitting maximum exhibitor exposure to all delegates.

Sponsorship

Within this brochure, you will find many opportunities to sponsor the 2020 PSI Conference. These are not exhaustive and we would welcome additional creative suggestions. Please note that sponsorship options include your company name in the conference section of the PSI website from the point of sponsorship together with a link to your company's website.

Exhibition

The exhibition will be held within the conference area. Space will be allocated on a first-come first-served basis. Set-up will be possible during Sunday 7 June. All stands must be dismantled directly on Wednesday 10 June and the area totally cleared by 15:00. The price includes two exhibitor passes for the three conference days which gain access to the exhibition area only, and includes two tickets to the Gala Dinner. If you would like to upgrade the pass to a full delegate place it is only an additional €385 per person. Dinner, bed and breakfast costs are additional. Additional exhibitor passes can be purchased for €510. Exhibiting companies must provide their own public liability insurance.

Have you also considered exhibiting at the PSI Medical Statistics Careers Event?

De Montfort University, Leicester, UK | Wednesday 4th March 2020

The event is aimed at all students currently studying for a mathematics - or statistics-related BSc, MSc or PhD, and provides them with the opportunity to find out more about the field of medical statistics, talk to people from different organisations and make contacts for the future.

This is an excellent opportunity for you to raise the profile of your company or university, by directly engaging with students who are interested in a career in medical statistics. This event is open to all UK pharmaceutical companies, CROs, CTUs and other organizations working within the field of Medical Statistics or interested in the analysis of data within pharmaceuticals, healthcare and/or medical research.

Exhibition stand fees:

Organisation Type	Fees
Pharmaceutical Companies and CROs	£550 + VAT
Registered charity or public sector employer (e.g. CTUs and government organisations)	£100 + VAT
University promoting courses	Free
Professional societies	Free

To include Leaflets/Materials in delegate bags, the fee is £100 + VAT.

Please visit our [website](#) for more information about the event, and to register as an exhibitor for this event please complete the [online booking](#) form by Wednesday 15th January 2020.
