Metro Information

General:

The Barcelona metro is pleasant to use because it is clean, fast, economical and of course air-conditioned, which is more than enjoyable in summer! It is composed of:

- 8 lines: L1, L2, L3, L4, L5, L9, L10, L11 managed by the company TMB (Transports Metropolitans de Barcelona). 
- 4 lines L6, L7, L8 and L12 belonging to the FGC (Ferrocarrils de la Generalitat de Catalunya). 

TMB and FGC are the two logos you will look for in the street to find the entrance of a station.

You can travel on its 12 lines with a standard metro ticket.

During the day, the metro usually passes every 2-4 minutes. At night, you may wait up to 10 minutes.

Nearest stops to Baritimo:

Drassanes.

Recommended Journey:

If you access the Metro from either the Poble Sec or Espanya stations nearest to the Crowne Plaza Hotel, you will use Line 3 ([green line on the official metro map](#)). Drassanes will then be 2 or 3 stops away, depending on your start-point.

Metro Hours:

Monday – Thursday from 05:00 – 00:00

Friday from 05:00 – 02:00

Saturday from 05:00 – Sunday morning without interruption

Sunday from 00:00 to 24:00

Metro Prices:

A metro ticket or any public transport card is valid for any journey by metro, bus, tram or ferrocarril.

You can buy individual tickets at the ticket machines. **The Barcelona metro ticket price is 2.40 euros.**

You can also buy a T-Casual card which allows you to make ten trips on all lines of the network for a price of 11.35 euros.

Metro Zones:

All stops in Barcelona's metro network are in zone 1. This means that with a classic metro ticket or with your Hola Bcn or Barcelona Card tourist passes, you can reach any metro station in town.

One exception with the standard ticket: from the airport you must buy a special ticket which costs 4.60€ to reach the centre or return to the airport.
