Discussant: **Fanhui Kong, FDA**

For each of these published papers there will be a 25 min presentation by the author followed by a 15 min discussion by the discussant, after which the lines will be opened to the floor for questions.

PSI article available to view from December 8th to January 5th at [PSI VJC home page](#) and the DIA TIRS article can be found on the [DIA website](#).

Presentation slides will be available prior to the call. Journal subscribers can access papers at any time. Podcasts will be available shortly after the TC to download from the above websites.

Open to PSI and non-PSI members and DIA and non-DIA members – no need to pre-register.

We encourage you to read these papers in advance so you get the most from this event.

Where multiple people are dialling in from the same site, we encourage you to book a meeting room and dial in together.

For further info/feedback, or if you would like to submit a question to the authors in advance of the meeting please contact journalclub@psiweb.org
