CHAIR: James Carpenter, LSHTM

Royal Statistical Society (RSS)

Abdus S. Wahed, University of Pittsburgh

Evaluating joint effects of induction–salvage treatment regimes on overall survival in acute leukaemia

Co-author: Peter F. Thall;

Journal of the Royal Statistical Society: Series C (Applied Statistics), Volume 62, Issue 1, Pages 67–83, January 2013

Statisticians in the Pharmaceutical Industry (PSI)

Nicola Schmitt, AstraZeneca

Attenuation of treatment effect due to measurement variability in assessment of progression-free survival

Co-authors: S. Hong, A. Stone, J. Denne

Pharmaceutical Statistics, Volume 11, Issue 5, pages 394-402, September/October 2012

For each of these published papers there will be a 20 min presentation by the author followed by 20-25 min discussion.

Papers available to view from 8th April to 7th May 2013 on <http://www.psiweb.org/journalclub> and presentation slides will be available there from 11th April 2013 to download before the JC. Journal subscribers can access papers at any time.

Podcasts will be available shortly after the JC to download from the above website.

Open to PSI and non-PSI members, and RSS members and non-RSS members – no need to pre-register.

We encourage you to read these papers in advance so you get the most from this event. Where multiple people are dialling in from the same site, we encourage you to book a meeting room and dial in together. For further info/feedback, or if you would like to submit a question to the authors in advance of the meeting please contact

journalclub@psiweb.org
