For each of these published Pharmaceutical Statistics papers there will be a 20 min presentation by the author followed by 20-25 min discussion.

Papers available to view from 9th September 2015 to 7th October 2015 on <http://www.psiweb.org/events/journal-club> and presentation slides will be available there from 14th September to download before the JC. Journal subscribers can access papers at any time.

Audio recordings will be available shortly after the JC to download from the above website.

Open to PSI and non-PSI members – no need to pre-register.

We encourage you to read these papers in advance so you get the most from this event.

Where multiple people are dialling in from the same site, we encourage you to book a meeting room and dial in together.

For further info/feedback, or if you would like to submit a question to the authors in advance of the meeting please contact
